

Volunteer Presenters needed for Out Of The Blue, 3CR Community Radio!

We're looking for Presenters to volunteer on Out Of The Blue, 3CR's coasts and oceans program. As a Presenter on Out Of The Blue, you'll be responsible for producing and presenting our 30-minute show once a month. Presenters on Out Of The Blue come from all walks of life: we've been aquaculture lecturers, researchers, community organisers and journalists. Everyone has a connection to the sea, and we want to hear about yours!

About 3CR

3CR is a dynamic, community hub that has produced radio since 1976. 3CR broadcasters present around 120 radio programs every week, with 20 community language shows in 13 different languages, and 10 hours of Indigenous programming, and listeners can tune in on 855AM, 3CR Digital, stream live online or via an app, access audio on demand or download podcasts of our shows.

About Out Of The Blue

Out Of The Blue is 3CR's coasts and oceans program. Broadcast at 11:30am-12pm on Sundays, and available on podcast at <https://www.3cr.org.au/radioblue>, we bring you the latest news about the seas. We feature research, activism, and the communities who live, work, and play by the sea. While we cover all sorts of marine news from across our blue planet, we love hearing about the remarkable oceans at our doorstep.

About the role

Responsibilities

- Producing and presenting Out Of The Blue once a month
- Uploading podcasts to 3CR's website
- Promoting your show on our Facebook page and on your social media channels
- Contributing to raising donations for 3CR's Annual Radiothon fundraiser

Experience

No experience is necessary! Just an interest in making radio and curiosity about the oceans. This is the perfect role for someone who wants to gain experience in media, science communication, and community organisation. Training is available at 3CR. All Presenters must be subscribers of 3CR.
